

## **KS1 Treasure Hunt Instructions**

You can start the hunt anywhere, you just need to find one of the question sheets.

When you find your first sheet, write down the big letter at the top of the sheet in the first box on your piece of paper.

Read the question at the bottom of the sheet and decide which of the four book covers is the correct answer.

Then find the sheet that has that book cover at the top.

Write down the letter at the top of the second sheet in the second box on your piece of paper!

Then read the question underneath it to find out which sheet you need to find next.

Remember to keep writing the letters on each sheet on your piece of paper

When you get back to the sheet you started with and you have letters in all 10 boxes, you have finished so hand in your sheet straight away!

The first person to hand in a sheet with all the letters in the correct order wins.

If you have a problem reading a question ask a teacher for help.
